

**Geological Society of New Hampshire Special Event  
McAuliffe-Shepard Discovery Center  
October 17, 2024**

**Join your friends and colleagues for a special night at the  
McAuliffe-Shepard Discovery Center**

**Browse the exhibits, enjoy the hospitality, dinner, and as always  
the mineral raffle. The evening concludes with a talk about the  
Magellanic Clouds and their importance to astronomy**

**This is also the Society's Annual Meeting during which society  
officers are elected**
